Corporate Electronic Registration Tool

https://corporate.goodlifefitness.com
Welcome Page

The initial page displayed when viewing the website at https://corporate.goodlifefitness.com
The initial authentication page displayed once the ‘Sign In’ button is clicked from the Welcome Page.
The authentication page once a Partner is entered/selected from list.
The authentication page if a login attempt fails.
Quebec Sign Up

If the Primary Member indicates they are a resident of Quebec, upon successful authentication, they are presented with the above page. From here they can download a pre-stamped PDF document which can be brought into an Énergie Cardio location.
Once a login has been authenticated, the follow page is displayed to present Membership payment options.
Pre-authorized Payment Information

When the 'View Membership Details' link is clicked for the ‘Pay Bi-weekly’ option, the following information is displayed.
Paid in Full Payment Information

When the 'View Membership Details' link is clicked for the 'Pay in Full' option, the following information is displayed.

EXPERIENCE THE GOOD LIFE!

This is approximately 44% off our regular rates.

GoodLife Fitness Corporate Membership offers:
- National access to all GoodLife Fitness clubs in Canada (including Energie Cardio in Quebec)
- Towel service, where available
- Membership dues are paid-in-full (including applicable taxes) to GoodLife Fitness at the end of this online process.

As an employee or contractor for your company, you are entitled to have a GoodLife Fitness Membership for eligible family members, all for the same low rate per person.

As the Primary Member, you are required to register yourself before you can add eligible family members.

The payment method you choose below will apply to all Memberships registered under this corporate rate and payment for all Memberships is the responsibility of the Primary Member.

IMPORTANT: If you have an existing GoodLife Fitness Membership, please have your Membership number or barcode available to transfer to the Corporate Membership Program.
Eligible Family Members

At various points throughout the registration process, a link labelled 'eligible family members' will show the following information when clicked.

**WHO IS AN ELIGIBLE FAMILY MEMBER?**

In addition to the Primary Member, a maximum of 4 eligible family members are permitted to join as a part of the GoodLife Fitness Corporate Membership Program. The payment method you choose will apply to all Memberships registered under this corporate rate and payment for all Memberships is the responsibility of the Primary Member.

- Must be 12 years-of-age or older to register
- Children between the age of 12 and the age of majority in their province of residence must have their parent or legal guardian agree to the terms of our “Schedule A” Agreement (available on the summary page).
- If the Primary Member is under the age of majority in his/her province of residence, only eligible family members who have reached the age of majority of their province of residence are eligible to join on the Primary Member’s account.

Minors must complete the Youth Passport with their parent(s) / guardian, unless they are the Primary Member themselves. This series of orientation appointments will ensure the youth and their parent(s)/guardian understand the importance of form and technique, and will help both parties understand how to use equipment properly moving forward. There are no additional costs for these orientations.
When the Primary Member visits the site for the first time, they will be presented with the following form to fill out. If they return at a later date to register additional eligible family members, they will not be presented with this page.

Note that the text at the bottom of the page is only displayed when the Pre-authorized payment option has been selected.
If the Primary Member is a current GoodLife member, they can select the option at the top of the page to enter their current Barcode or Membership Number.
Selecting a Home Club

For both the Primary Member and their eligible family members, a Home Club is selected using a map of clubs in the specified area.
Each form is validated to ensure all of the required information is entered.
Family Member Summary

Once the Primary Member enters the required information, a summary of eligible family members added is presented, initially with none entered.
Adding a Family Member

If the Primary Member chooses to add an eligible family member, they are presented with a form to capture the same amount of information as the Primary Member.
Adding a Family Member Under the Age of Majority

If the Primary Member chooses to add an eligible family member who is under the Age of Majority in the selected province, the contact information is defaulted to the Primary Member information.
Family member information can be edited but only for family members entered during the current session. Any family members that have been previously registered are only listed for reference.
Pre-authorization Payment - Banking Information

If the Primary Member has selected the pre-authorized payment option, they will be asked to provide their banking information.
Once complete, the Primary Member is presented with all of the Memberships being registered. The Agreement for each must be viewed and confirmed before proceeding.

Two options are available, to continue with Pre-authorized Payment or switch to Paid in Full.
If the Primary Member chooses to switch to Paid in Full, the above information is displayed.
If the Primary Member initially chose Paid in Full or chooses to switch to Paid in Full from the Summary page, the above page is displayed. If the ‘Pay Bi-Weekly’ option is selected they will be directed to the Banking Information page.
What is Moneris?

If the 'What is Moneris' link is clicked at the bottom of the page, the above information is displayed.
When the ‘Paid in Full’ option is selected, the Primary Member is directed to the Moneris hosted page to collect their credit card information.
If the Primary Member’s credit card preauthorization fails, they are presented with the above message.
Paid in Full - Successful Pre-authorization

If the Primary Member’s credit card preauthorization is successful, they are presented with the Summary page. Each Agreement must be viewed and confirmed before they can proceed to complete the registration.
If the Primary Member’s credit card preauthorization is successful, they are able to go back and change their personal information but not add any additional family members as it would alter the total that was already preauthorized on their credit card.
Once the registration process is complete, the Primary Member is presented with the above page.

As a GoodLife Fitness Corporate Member you’re on your way to discovering the power that fitness has to transform your life.

Your registration has been submitted for processing.

Please check the email account(s) you have provided to obtain a copy of your Membership Agreement(s) and details on how to get started with achieving your health and fitness goals.

FINISH & CLOSE
Returning Primary Member

If the Primary Member wishes to return to sign up eligible family members, they can return to login but will also require their Membership Number.
Returning Member - Pre-authorized Payment

If the Primary Member previously chosen Pre-authorized payment, they are only presented with that option.
The Primary Member will be able to view eligible family members entered previously and is required to enter at least one more before proceeding.
The Primary Member's banking information cannot be changed but is displayed for confirmation.
On the Summary page, only family members added in the current session must have their Agreements viewed and confirmed.
Returning Member - Paid in Full Payment

If the Primary Member previously chosen Paid in Full payment, they are only presented with that option.
The Primary Member will be presented with a total for the current session and will be redirected to Moneris to collect credit card information.
