## Business Arising from the Minutes

---

### A. Ratifying Action Taken at the Previous General Meeting

**MOTION 19/05/09:5**

**WHEREAS** there was no quorum present at the last general meeting;

**WHEREAS** emergency actions were required on certain items;

**AND WHEREAS** the emergency motions that were passed require ratification per Robert's Rules;

**BIRT the following motions VI.B–VI.G be ratified**

NOTES: Council may move to split or sever this motion into constituent motions if it wishes. Ratification motions are debatable. The minutes for the Special General Meeting have been attached as Appendix B for reference. Note that *E. Health and Dental* carried with noted opposition and the others carried unanimously.

### B. Peer Support Centre Amendment (SGM Motion IV.A—carried unanimously)

This was the second reading of the Graduate Peer Support Center Mandate. The resolutions were to 1) create bylaw B.26 and 2) to add a Peer Support Supervisor stipend in bylaw B.10.1. The funding will come from a private donor. See attached minutes for details.

### C. Peer Academic Advisors (SGM Motion IV.B—carried unanimously)

This motion amended all references in bylaw and policy from “Student Advisor” to “Peer Academic Advisor” to comply with the new government fee protocol.

### D. Updates to Bylaw (SGM Motion IV.C—carried unanimously)

This motion updated the formatting language in the Bylaw and Policies document for consistency and readability. It also no preserves the number of any bylaws that have been struck, to minimize the chance of mistakes for cross-references in the event of renumbering. No policy or bylaw was changed, and this update keeps with good corporate practice. In answer to a question, a lawyer was not asked to review the document because it would cost “between 18-25thousand dollar for a lawyer to review over 120 pages of a bylaw” according to the outgoing president.

### E. Health and Dental Plan (SGM Motion IV.D—carried, noted opposition)

This motion asked the Executive look into the possibility of seeing if recent graduates could be included in the SGPS health and dental plan. The executive would have to

report to council before signing any contract, with time for council to recommend direction if wanted. There was discussion on insurance law and insurance economics.

**F. Motion to allow Nick to become Deputy Speaker for Council (SGM Motion V.A—carried unanimously)**

This motion proposes that Nick become Deputy Speaker for the 2019-2020 school year. There were no other candidates. Nick was endorsed by Laura, the incoming Speaker.

**G. Motion to approve “Stipend Amount Amendment” from last council (SGM Motion V.B—carried unanimously)**

This motion was taken to ensure that new councilors (specifically commissioners and deputy commissioners) could be hired and paid given the new budget cuts. The commissioners and deputy commissioners’ stipends were reduced. Discussion around reducing hours accordingly concluded that hours are internal policies and, although they will be reduced accordingly, there is no requirement to have hours stated in Bylaws or Policies.
