MOTION 12/11/19:05

BIRT the SGPS Council approves the proposed amendments to Policy 1.2 Student Fees and Referenda

P.1.2.2 General

- a. From time to time, the SGPS shall establish, increase or cancel Student Activity Fees (“**Fee**”), paid by members, related directly to the upkeep and maintenance of campus student life and the SGPS at large.
- b. The SGPS may only establish a new Fee, or increase an existing fee, if there has been an open, honest, and fair referendum on the establishment, or increase, of that Fee.

Agenda

November 26th, 2019 - 5:30pm
Robert Sutherland Room, JDUC

- c. The payment expectation for a given Fee is either:
 - a. **Mandatory**, in which all members must pay the fee, or
 - b. **Optional**, where members have a choice to Opt-out of the fee during the designated opt-out period.
- d. The classification of Student Fees into the categories of Mandatory and Optional is governed by the Government of Ontario's Ministry of Training, Colleges and Universities "Tuition Fee Framework and Ancillary Fee Guidelines for Publicly-Assisted Universities".

P.1.2.3 Eligibility

- a. Only eligible groups are entitled to establish or receive a Fee.
- b. The eligibility of a group to receive a Fee is determined by the Finance and Services Committee ("**Committee**") and is assessed each year for both prospective Fees and pre-existing Fees.
- c. The following conditions restrict eligibility:
 - i. No athletic team is eligible to receive a Fee;
 - ii. No SGPS, AMS or University committee is eligible to receive a Fee;
 - iii. No group, except for the SGPS itself, shall be eligible for more than one Fee;
 - iv. No group, except for the SGPS itself, shall be eligible to obtain a fee for the purposes of a single, one-time capital purchase;
 - v. No commercial or otherwise for-profit group or organization may be eligible for a Fee.
- d. Where a group does not meet eligibility requirements as determined by the Committee, the VP Finance & Services shall notify the group with reasons for the decision and offer the group forty-eight (48) hours to amend and resubmit its fee proposal for reconsideration by the Committee.
 - a. This shall not permit any group from extending a deadline for elections or referendums as set out by the SGPS CRO.

P.1.2.4 Establishing and Increasing Student Activity Fees

- a. A referendum on a Fee is required in order to:
 - a. Establish a new Fee; or,
 - b. Increase the dollar value of an existing Fee.
- b. **Fee referendums must** be held at the same time and on the same system as the annual SGPS executive election as outlined in B.10
- c. **Optional** fees require a simple majority to pass; mandatory fees require a simple majority to pass, unless quorum, which shall be fifteen percent (15%) of the ordinary members of the SGPS, is not met. If quorum is not met, **mandatory** fees require a 2/3 majority to pass.

Agenda

November 26th, 2019 - 5:30pm

Robert Sutherland Room, JDUC

- a. A fee that fails to achieve the requisite threshold in a referendum is cancelled **effective the following academic year**, with any uncollected or withheld funding reallocated to the SGPS Bursaries and Grants Program.

- d. **Fees for University services, AMS services, clubs ratified by the Queen’s Clubs Office, and organizations external to Queen’s** shall expire after three (3) academic years following a successful referendum result.
 - a. During any academic year of a Fee’s collection, the group may apply under either P.1.2.4.f or P.1.2.4.g to establish a new Fee or increase an existing Fee for the next three (3) academic years following that referendum.
 - b. For further clarity, should a group with an existing student fee apply under either P.1.2.4.f or P.1.2.4.g, to establish a new Fee or increase an existing Fee, but fail to achieve the required votes in a referendum, the existing Fee shall continue uninterrupted until the conclusion of the original three (3) academic years.
 - c. **Fees for University services, AMS services, clubs ratified by the Queen’s Clubs Office, and organizations external to Queen’s do not renew. They must undergo the process to outlined in P.1.2.4.f – “Establishing New Student Activity Fees”.**
- e. **Fees that are strictly limited to the upkeep and operation of the SGPS, SGPS programming, and capital projects shall be known as SGPS Fees and shall** have unique rules that govern the expiry of Fees, establishment of new Fees, and increases in existing Fees.
 - a. **Non-Expiration of SGPS Fees** – SGPS Fees shall not expire and shall not be subject to renewal by referendum.
 - b. **Establishment of New SGPS Fees** – The process for establishing a new SGPS Fee shall be conducted in accordance with P.1.2.4.c and follow the ratification procedures as set out by P.1.2.4.f.
 - c. **Increases to Existing SGPS Fees** – The VP Finance and Services may unilaterally increase the amount for an existing SGPS Fee on the coming year’s fee slate only if:

 - ii. **The increase to the fee is less than or equal to five per cent (5%)**
 1. **The only exception to the five per cent (5%) limit is when the fee is for the purpose of funding the SGPS Health and Dental Plan. Increases to Health and Dental plan fees are governed by plan usage and cannot be limited.**
