Courtney – The bus subsidy will open soon. Bursaries will be open early June due to unforeseen emergencies. Anyone interested in being in the FMC. There will be an increase in the health and dental fee for the upcoming year due to the change in providers. Cost increased by 2.5%. SGPS has decided to subsidize \$10 per student. \$626.73 for this upcoming year compared to 621.20.

Anthony – welcomes new incoming executive team. There is a campus security external review process right now. On May 20, he had a meeting with that group. He stressed at that meeting principles of anti-racism and recommendations. Asks that the Human rights and Equity office be given an increased budget in order to actively address racists acts happening on campus.

Speaker report – looking forward to resume council in August.

Kassandra Coyle – Excited to join.

Monica – excited about the role.

Brittany –

Emilia – importance of community and community building

Sabrina – international commissioner. Hopes to continue the work that has already been done.
